This week in school...

Class One have had a great start to the summer term and have been fantastic storytellers! They have made a story map and told a five part story using actions, small world, puppets and props. The nursery children were inspired seeing a rainbow and created some beautiful paintings, sang rainbow songs and also did some collaborative thinking about rainbows.

Class 2 were very excited to start learning to play the recorders this week and have already grasped the fundamentals and played two songs! They have been replicating artworks inspired by Flora and Fauna and had lots of fun at the Invasion Games event in Ludlow where they practiced their sporting skills.

Class 3 started their swimming lessons at Knighton Sports Centre. The children were all very excited and they had a fantastic afternoon. Every child worked so hard and supported their friends cheering them on when they were swimming. Well done Class 3, it's going to be a great 6 weeks!

Class 4 have started to learn their new Talk4Writing text, a poem called 'The Magical Door', a portal to places where life is not quite the same! They also had fun creating their own magical door to a weird and wonderful 'other' world in art.

Local History Day & St George's Day Parade

We are looking forward to celebrating St George's Day on Thursday 23rd April and have lots of fun activities lined up. Parents are invited into school from 1.30pm to 2.15pm to have a look at the children's Local History Day showcases. Then at 2.30pm the children will walk from the school playground down to the bridge and back and we would love to see families lining the streets to watch. The children can come to school dressed up for St George's Day or as a character from history. We can't wait to see the variety of different costumes, lets hope the sun shines!
