This week in school.....

Class 1 had a fantastic visit to Park Hall Farm. Activities included meeting the pony, a fun tractor ride, exploring the Science Zone, meeting the friendly bunnies, milking the pretend cow and even watching pigs racing! It was a joy to see their confidence grow as they asked thoughtful questions, explored the outdoors and shared new discoveries with one another.

In RE, Class 2 enjoyed learning about the Jewish tradition of the mezuzah, which is placed on the doorposts of Jewish homes and gently touched as people pass by as a reminder of their faith and values. Inspired by this tradition, the children beautifully decorated their own mezuzahs and tucked inside a special scroll with a message they wanted to remember every day, such as "Be kind," "Encourage others," and "Think about others." Their thoughtful creations will be displayed around school, helping to spread kindness and remind us all of the values that make our school community so special.

Class 3 have story mapped their class text 'The Teacher Pleaser Machine'. The children have then been designing they're own magnificent machines thinking about the different components they will have. This is preparing them for writing their explanation texts next week. They have some fantastic ideas and Miss Croft is really looking forward to reading them!

On Monday, Year 6 were very excited to receive their Leavers Hoodies. They chose their own favourite colours and nickname and will now proudly wear them until the end of term.

Sports Day 2026

Our Sports Day was a fantastic celebration of teamwork, determination and school spirit. Every child gave their very best, showing resilience, encouragement and respect as they cheered one another on and took part with enthusiasm. A huge thank you to our families for coming along to support the children and helping to make the day such a special occasion.

Summer Activities at St George's Church

Do you run out of ideas during the summer holidays?

At St George's Church we would like to offer activities for parents and children in our new Community Library.

Geared to primary school children and younger, we would welcome suggestions.

Perhaps a story time, craft, music, puppet making, a bear hunt or whatever you suggest. If you have ideas, please get in touch. If you would like to be involved in planning, I would of course welcome you.

Free Summer Holiday Activities and Food Clubs Across Shropshire

The summer holidays are fast approaching, and Shropshire Council's Holiday Activities and Food (HAF) Programme is offering to make the holidays unforgettable for eligible children and young people!

Fully funded by the Department for Education, the HAF Programme provides free holiday clubs and healthy meals to eligible families across the county from the 20th July to the 28th August and booking is open today, the 29th June

Children aged 4 to 16 who receive benefits-related free school meals, or are referred by professionals due to them experiencing financial hardship, can join exciting activities like sports, crafts, cooking, and outdoor games in community venues across the county.

Taking part in the activities is free for eligible children and young people and each session includes a nutritious meal, with plenty of opportunities to learn about healthy eating.

To check eligibility and to book, visit the [HAF website](https://www.shropshire.gov.uk/haf). Eligible families will need a unique HAF code from their school or referral professional. All places must be booked in advance and eligibility checks will apply.

Summer Holiday Fun and Food in Shropshire

Book Now!

Spaces are available on the summer HAF (Holiday Activities and Food) programme.

Over the summer holidays, eligible children and young people aged 4 (reception class age) to 16, are invited to attend free holiday clubs across the county.
