

As scientists we will learn about:

Mixtures & reactions.
Reversible & irreversible changes.
Electricity.

As artists we will consider:

Art inspired by landscapes.
Looking at art work by Escher, Andy Warhol and Turner, discussing their use of colour and lines.

As geographers we will learn about:

Physical geological features such as volcanoes and earthquakes.
Describe, research, compare and analyse impact of natural disasters across the world.
Develop locational knowledge.

As musicians we will learn about:

Transcribing and describing music.
Creating sequences and performing pieces.

As design technologists we will learn about:

Use the skills of cutting, shaping and joining materials to make geographical models. Use technical knowledge to apply understanding of how to strengthen and reinforce a more complex structure, thinking about properties of materials using natural materials.

As users of technology we will learn about:

Using graphics programs to create geometric art, taking inspiration from the work of Escher, Riley as well as experimenting with complex 'fractal' landscapes.
Using a host site to create a website explaining e-safety and responsible online behaviour.

As healthy citizens (PE Mental Health PSHE BV) we will learn about:

British Values – Our rights and responsibilities as global citizens.
RSE: Move more
PE: Gymnastics & Net and Wall games.

Our key texts this term are:

Street Child by Berlie Doherty, Holes by Louis Sachar, Survivors by David Long, Earthshattering Events! by Sophie Williams,
